The Best of Luck
 to a cute girl
 D W Graham

Dear ...
It has been lots of fun
knowing you the past three
years. I wish you luck in
whatever you do and where
ever you go.
Donnie
Bailey

Smiling your hello to new students during Howdy Week . . . yelling yourself hoarse in that homecoming pep rally . . . working 'til dark on the spring production . . . campaigning eagerly in the student council election . . . starting your day with the Bible reading and that moment of silence for prayer . . . attending classes held before school by sympathetic teachers—these are only a part of the spirit manifested at Heights.

Friendliness, industry, enthusiasm, determination, tolerance, and understanding are lessons well learned as we play the Game of Life here on the Hill.

How we accept success and failure is of greater consequence than the actual outcome of our struggle to reach our goal. When what we learn here is forgotten, how we learned it will remain.

"When the one great Scorer comes
To mark against your name,
He writes not that you won or lost,
But how you played the game."

A trip to Mr. Sharp's office is a new experience for sophomores Roger Brown and Larry Kadaras.

How do you resist looking out the window, Steve Wilson?

time out

Eek!!! Biology classes are fun for some, especially sophomores Linda Fletcher, David Jones, and Donald Krause.

Laura Blocker, Sue Bearden, Rose Marie Adams, Donnie Helm, Spencer Herd, and Earlene Pankey have learned that taking those dreadful notes is a part of high school life.

A sight for sore eyes is Judy Blackburn, Sharon Johnson, Pat Lacey, Betty Robinson, and Suzanne Knight, who don't look very tired after a strenuous (?) P. E. period.

Sweating one of Mr. Arseneau's tests are Steve Bender, David Tomlinson, and Jackie Austin.

The post at AMHS boasts one of the largest in the nation, with 600 members.

The Allied Youth began an ambitious membership drive which netted them 312 members the first two days of school. By the time the main membership drive came to a close there were enough members to send six delegates to the National Convention at Buck Hill Falls in November. These students came back bubbling with new ideas for the post whose purpose is to educate youth regarding a nation and its efforts.

The highlight of the year was the annual "male beauty contest" and Christmas party. The boys were a riot. The A. Y. picnic took the spotlight in the spring.

out of town trip

On October 6, a cloudy evening, twelve buses rolled up to Heights to transport over 400 jacket fans to the High and Park Game in Dallas. As soon as the buses stopped, the band began loading and excited jackets rushed around to find their bus and sponsor. Then came the long moments of waiting as exterior decorators added the finishing touches. Without a doubt, the out of town trip is always a highlight of football season.

FOOTBALL IN 1956

Ranked fourth in the state, the Jackets had a reasonably successful season which opened with the rousing defeat of Sherman—final score 27 to nothing.

Disappointment was soon to follow, however, as the Midland eleven slipped past us with a hard fought victory of 19 to 13.

San Angelo, playing the avenger's role, succeeded in upsetting the Jackets' hopes of sacking up another victory against the strong West Texas team in the third game of the season.

Playing another one half ball game, the Jackets yielded the fourth of their series to Highland Park by a score of 28 to 20.

Following the Highland Park loss, the Heightsmen battered the Waco Tigers for a sportswriter upset of 41 to 20.

The Jackets then stormed into district play with the narrow victory over Poly of 14 to 13.

Led by the sports fans' delight, Hurricane Harry More and, the Heights eleven stormed by Northside with the high score of the year, 33 to nothing.

The following week, the Jackets won again, this time against Tech with the booming score of 33 to 8.

Spirit reigned at the heartbreaker of the year, Homecoming against Paschal, in which our boys bowed to the Panthers 47 to 33.

Concluding the season the Heightsters suffered a bitter defeat in the hands of the Carter Riverside Eagles. We lost 35 to 13.

This game marked Coach N. J. (Pug) Hogan's last, as he announced he would resign his coaching position at the end of the season.

With the close of the season came the awards and recognition. Our heartiest congratulations go to Harry More and, who made All State, and to Jim Brock, who made District; as well as to Kay Brockermeyer and Pat Mitchell, who were listed on the Press All District Team.

Harry More and, Jackets' 'hurricane' back surpassed all records of previous Heights backs as he was selected for All District and All State teams two consecutive years, and was voted the outstanding back of District 4AAAA of 1956.

Jim Brock stalwart of the Jacket Line, won All District recognition.

Arlington Heights 51	Tech 45
Arlington Heights 56	Carter 57
Arlington Heights 54	North Side 36
Arlington Heights 54	Poly 58
Arlington Heights 63	Paschal 47

Starting the year off with a bang the Heights five bounded by Tech by the score of 51 to 45.

Defeat was soon to come, however, as the Carter quintet outplayed us with the overtime score of 57 to 56.

Next came the North Side game. This hard fought hassle was finally given over to the opponents by the score of 47 to 60.

The Poly game followed, and the resulting score of 51 to 55 in favor of the Parrots left us with one to go in the first round.

The last game, Paschal, was a 51 to 59 defeat which ended up the first round and left us with one won and four lost.

The second round started off with the defeat of Tech 51 to 45, the very same score as in the first round.

Next came Carter, who defeated us 57 to 56, another score identical to that in the first round.

In the third game of the second round, North Side dribbled by us for a score of 54 to 36 in their favor.

Winning by a 4 point margin Poly defeated us the next week by the score of 58 to 54.

The last game of the season, the Paschal game, was hard fought and won by our boys 63 to 47. This gave us 4 won and 1 lost.

The total for the season was 5 won and 5 lost which put us in fourth place.

Mike Loudermilk and James Balch wait expectantly as Jim Brock goes into the air in an attempt to gain possession of the ball during the North Side Game, which we won 54 to 36

most studious

Linda Alexander, straight 'A' student, was chosen as Heights Most Studious Girl. A senior this year, Linda displayed a genuine interest not only in making excellent grades, but in taking an active part in other activities. Seeking out responsibility, she served as alternate councilman in her sophomore year, homeroom president in her junior year, and as a senior she was elected secretary of the Student Council and was chosen as a crew head for the Jacket Football Players' production. Because of her outstanding scholarship and service, Linda was a "J" Club member for two years.

Graves Enck, president of the Student Council, was elected Most Studious Boy this year. He held an office in his homeroom each year at Heights, serving as councilman, homeroom secretary, and homeroom president in his sophomore, junior, and senior years respectively.

An active member of Allied Youth, Graves was an A. Y. Beauty last year and participated in other A. Y. programs.

Lettering in football in his senior year made him a member of "A" Club, the Arlington Heights' Lettermen's Association. Because he maintained a high grade average and participated in many activities, Graves earned "J" Club membership for three years.

Bound

most athletic

Adding boundless energy and enthusiasm to her natural skills in all sports, Nancy Elliott, senior, played as a member of every girls' varsity team and acted as an official at girls' volleyball and basketball games.

Because of her athletic abilities Nancy received many honors at Heights. She lettered in P. E. three times and served as secretary, then as president of Girls' Intramural Council. These things made Nancy the choice for Most Athletic Girl on the Hill in 1957.

The Most Athletic Boy at A.H.H.S. this year was Harry Moreland. Harry lettered three times in football and in track, setting records in both sports.

In his junior year he made All-District and All-State football teams and earned two outstanding player awards: the C. C. Westfall Trophy and the Tom McAn Bronze Shoe.

As a senior, Harry was vice president of "A" Club. He was again a member of both All-District and All-State Teams, and was chosen by Fink Sports Magazine for its All-American Team.

Harry's track record was also outstanding. He placed first in the 100 yard dash, the 220 yard dash, and ran as a part of Heights winning 440 yard relay team at the State Meet last year.

in memoriam

In memory of our friend and fellow worker, Mrs. Mary Sweet Franklin, who died February 17, 1957 we pay loving tribute. As an instructor of speech and English, Mrs. Franklin taught in Arlington Heights High School in 1945 and during the first six weeks of the fall semester of 1956. She was held in high esteem by both students and teachers.

Her life was a fusion of kindness and beauty. To her students and to her art she gave generously and untiringly of her time and talent. At all times she was kind, patient, and understanding. To her associates she radiated the beauty and wholesomeness of life itself.

Of Mrs. Franklin's life
we can truly say
with Keats:

'A thing of beauty is a joy forever;
Its loveliness increases; it can never
Pass into nothingness.'

Dear Mary Ann,

To begin with, what would I have done without you? You have always been there to listen to my troubles, to introduce me to people, to offer your shoulder for me to cry on, and just everything else imaginable. I've certainly enjoyed living next door to you, and I think we've had some pretty wonderful times. Now that you're about to "take the plunge", it won't be quite the same, but nevertheless, you'll still be my aide in everything. I hope that we'll never lose touch with one another, no matter how far apart we are. I want to wish you and Charles the best of luck and I know you'll be happy, because you're the kind of person that makes others happy, and from what I've heard from you, so is Charles.

Well, I'd better quit now while I still have some of my senses left, but always be as sweet and good as you are now, & you'll never have to worry.
